Re: Kristin Gabel v. Riverview School, et al
CA NO. 04-10579 JLT

Dear Sir: *TPK*

Upon the written request, the Clerk of the Barnstable Superior Court, forwarded to this office the case summary and criminal docket from the Barnstable Superior Court regarding the criminal case against my civil client, Audrick J. Hayes. From the looks of the docket this has been an extremely active case especially regarding evidentiary matters. I am forwarding it to brother counsel, Lawrence E. Hardoon, Djuna E. Perkins and Paul E. Stanzler relative to the offer which I made to develop further information on this particular case. I am forwarding this to the attention of Judge Tauro as I believe it explains the lengthy delays in the conclusion of the criminal case upon which the civil case strongly depends.

Yours very truly,

Thomas P. Kramer
